## WANTED: Physiotherapist - Full Time, Permanent - £20-22kp/a

### ABOUT THE POSITION

Over the years, our team has developed a deserved reputation for world-class delivery of evidence-based practice and for our passionate love for our craft. We're looking to expand our team with someone who shares our excitement and vision for sports medicine in the UK; somebody who is excited about musculoskeletal physiotherapy in all its myriad forms, and who clearly understands the value of a multidisciplinary team.

Under the day-to-day guidance of our Clinical Director, you will be responsible for delivering sports medicine services to Core Cambridge clients within our centre and at client grounds, centres and offices. You will be mainly based in Cambridge, but you will be required to travel to support the needs of our clients as and when required.

This is a full-time, permanent position. The nature of the work will involve any or all of weekends, late nights, early mornings and bank holidays. The work is structured into regular shift patterns, but is frequently subject to change as needs arise.

A comprehensive CPD programme is provided - during which you will learn from and amongst all members of the team, from courses, and external speakers. The Clinical Director will mentor you along your ACPSM CPD pathway.

### ABOUT CORE CAMBRIDGE

**“Core Cambridge provide world-class Sports Medicine and Strength & Conditioning for everyone.”**

Our highly-qualified team uses techniques and principles from sports medicine and strength & conditioning to help a diverse client base that ranges from long-term injured private individuals to international squads, from corporate offices to funded athletes. Step-by-step, we are gradually building the expert team we need to reach our goal of being recognised as the UK's leading provider of sports medicine and strength & conditioning.

To learn more about us, please visit our website: <http://core-cambridge.com>

### REQUIREMENTS

Essential characteristics: Minimum 2:1 BSc Physiotherapy, and/or MSc Physiotherapy. (Sorry but we cannot consider Sports Therapist or Sports Rehabilitators for this particular role). HPC Registered. CSP member. Able to manage own caseload. Own transport and valid UK driving license.

Desirable characteristics: Completed post-graduate rotations in out-patients and orthopaedics. Previous experience working in a private clinic environment. Sports 1st aid/ trauma qualification. Interest in and understanding of ergonomics in the workplace. Interest in and understanding of S&C methods in rehabilitation.

### HOW TO APPLY

Send us an email describing why you should be chosen for the position to [jobs@core-cambridge.com](mailto:jobs@core-cambridge.com) by the closing time. Include your CV and relevant contact details. Only if e-mail is unavailable should you send hardcopy by post to: Recruitment, Core Cambridge, Trinity Hall Farm Ind Est, Nuffield Rd, Cambridge, CB4 1TG.

We will be using a staged interview process consisting of phone interview, practical assessment and formal interview.

### CLOSING DATE

09:00 Monday 9th January 2012. Any applications after this time will not be considered. Phone interviews from 12th January, successful candidates will be invited to full assessment/interview week commencing 23rd January.
